Case 3:17-md-02777-EMC Document 486-1 Filed 01/10/19 Page 2 of 20

1 ("CARB," as specifically defined below) (collectively "California") filed a complaint (the 2 "California Complaint") in this action on January 9, 2019, against Fiat Chrysler Automobiles N.V., 3 FCA US LLC, V.M. Motori S.p.A, and V.M. North America, Inc. (collectively, "Defendants," as 4 specifically defined below), alleging in relevant part that, in connection with the certification, 5 marketing, distribution, and sale in California of approximately 14,000 model year ("MY") 2014 to 6 2016 Ram 1500 and MY 2014 to 2016 Jeep Grand Cherokee vehicles equipped with 3.0 liter 7 EcoDiesel engines (the "Subject Vehicles," as specifically defined below), Defendants violated 42 8 U.S.C. § 7604(a)(1); California Health and Safety Code §§ 43016, 43151, 43152, 43153, 43154, 9 43205, 43211, and 43212; 13 C.C.R. §§ 1961, 1961.2, 1965, 1968.2, and 2037 and the 40 C.F.R 10 sections incorporated therein by reference; and California Business and Professions Code §§ 17200 11 et seq., 17500 et seq., and 17580.5 (the "California Claims");

12 WHEREAS, the California Complaint alleges, in relevant part, that each Subject Vehicle 13 contains, as part of the electronic control module, certain software functions and calibrations that 14 cause the emission control system of those vehicles to perform differently (i.e., to underperform or 15 shut off) during normal vehicle operation and use, as compared to during emissions testing. The 16 California Complaint alleges that these software functions and calibrations are undisclosed 17 Auxiliary Emission Control Devices ("AECDs") in violation of California and federal law, and that 18 they are also prohibited defeat devices under California and federal law. The California Complaint 19 also alleges that during normal vehicle operation and use, the Subject Vehicles emit increased 20 levels of oxides of nitrogen ("NOx"). The California Complaint seeks, among other things, civil 21 penalties, injunctive relief, mitigation, costs and other equitable relief related to the presence of the 22 defeat devices in the Subject Vehicles;

WHEREAS, Defendants and California intend to resolve certain aspects of the California
Claims through the entry of: (1) a consent decree among the United States, California, and the
Defendants (the "FCA/US/CA Consent Decree") concerning the Subject Vehicles, lodged on
January 10, 2019, that, among other things, establishes a recall program offering consumers an
approved emissions modification to be applied to the Subject Vehicles, establishes a post-entry
testing program to ensure continued compliance and durability of modified Subject Vehicles,

2

Case 3:17-md-02777-EMC Document 486-1 Filed 01/10/19 Page 3 of 20

requires Defendants to implement certain corporate compliance reforms, and requires Defendants
to make a civil penalty payment of \$42,700,000 to CARB and a separate penalty payment of
\$3,175,200 to CARB for certain additional on-board diagnostic ("OBD") non-compliances; and (2)
a consent decree between California and Defendants ("First California Partial Consent Decree")
concerning the Subject Vehicles, lodged on January 10, 2019, that requires Defendants to make a
payment of \$19,035,000 to CARB and which is intended to fully mitigate the total lifetime excess
NOx emissions from the Subject Vehicles in California, as claimed by California;

8 WHEREAS, Defendants and the People of the State of California, by and through the
9 California Attorney General (together, the "Parties"), have agreed to resolve the remaining aspects
10 of the California Claims related to the Subject Vehicles without the need for litigation through this
11 Second California Partial Consent Decree;

WHEREAS, this Second California Partial Consent Decree (referred to herein as the
"Consent Decree") resolves Defendants' alleged violations of California Business and Professions
Code §§ 17200 et seq., 17500 et seq., and 17580.5 as more fully described in the California
Complaint (the "Consumer Protection Claims"), including by providing certain injunctive and
monetary relief to the California Attorney General;

WHEREAS, nothing in this Consent Decree shall constitute an admission of any fact or
law by any Party, including as to any factual or legal assertion set forth in the California Complaint,
except for the purpose of enforcing the terms or conditions set forth herein;

WHEREAS, the Parties recognize, and the Court by entering this Consent Decree finds,
that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation
among the Parties regarding the Consumer Protection Claims, and that this Consent Decree is fair,
reasonable, and in the public interest; and

NOW, THEREFORE, before the taking of any testimony, without the adjudication of any
issue of fact or law, and with the consent of the Parties, IT IS HEREBY ADJUDGED,

26 **ORDERED, AND DECREED** as follows:

13 Consent Decree or otherwise.

14 22. In any subsequent judicial proceeding initiated by California for injunctive relief, 15 civil penalties, or other relief, Defendants shall not assert, and may not maintain, any defense or 16 claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim 17 preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by 18 California in the subsequent proceeding were or should have been brought in the instant case, 19 except with respect to the claims that have been specifically released pursuant to paragraph 17. 20 23. This Consent Decree is not a permit, or a modification of any permit, under any 21 federal, State, or local laws or regulations. Defendants are each responsible for achieving and 22 maintaining complete compliance with all applicable federal, State, and local laws, regulations, and 23 permits; and Defendants' compliance with this Consent Decree shall be no defense to any action 24 commenced pursuant to any such laws, regulations, or permits, except as set forth herein. 25 California does not, by its consent to the entry of this Consent Decree, warrant or aver in any 26 manner that Defendants' compliance with any aspect of this Consent Decree will result in 27 compliance with provisions of the Clean Air Act, or with any other provisions of United States, 28 State, or local laws, regulations, or permits.

1	24. Nothing in this Consent Decree releases any private rights of action asserted by	
2	entities or persons not releasing claims under this Consent Decree, nor does this Consent Decree	
3	limit any defense available to Defendants in any such action.	
4	25. This Consent Decree does not limit or affect the rights of Defendants or of	
5	California against any third parties, not party to this Consent Decree, nor does it limit the rights of	
6	third parties, not party to this Consent Decree, against Defendants, except as otherwise provided by	
7	law.	
8	26. Except for any person or entity released by paragraph 17, this Consent Decree shall	
9	not be construed to create rights in, or grant any cause of action to, any third party not a party to this	
10	Consent Decree. No such third party shall be entitled to enforce any aspect of this Consent Decree	
11	or claim any legal or equitable injury for a violation of this Consent Decree.	
12	27. Nothing in this Consent Decree shall be construed as a waiver or limitation of any	
13	defense or cause of action otherwise available to Defendants in any action. This Agreement is	
14	made without trial or adjudication of any issue of fact or law, without any admission of fact or law,	
15	and without any finding of liability of any kind.	
16	VII. <u>NOTICES</u>	
17	28. Except as specified elsewhere in this Consent Decree, whenever any notification,
