## OFFICE OF THE CLERK UNITED STATES DISTRICT COURT Northern District of California

## **ELECTRONIC FILING INSTRUCTIONS**

## **ORDERING TRANSCRIPTS**

Listed below are the steps for ordering a transcript in the CM/ECF system. Please note that not all transcripts can be ordered electronically:

- Transcript orders for sealed cases may only be ordered if the minutes expressly state that parties to the case may obtain a copy of a sealed transcript without a court order. If the minutes do not expressly state that, then the ordering party must file a motion for permission to obtain a copy of the transcript. The order must be approved by the presiding judge prior to the party uploading their transcript order form.
- Transcript orders for *pro se* litigants and for non-parties must be submitted in writing to the Court Reporter Supervisor of the Division where the hearing took place for uploading to the docket.
- Criminal Justice Act (CJA) attorneys should file using CJA instructions posted on the court's web site.
