8 Eligible Vehicle was Totaled on or after September 18, 2015, but on or before January 31, 2017,  
9 and who consequently transferred title of their vehicle to an insurance company.

13 with the leasing company, in consultation with the Claims Supervisor, such that, without  
14 canceling or terminating the lease, the leasing company may be treated as an Eligible Owner and

6 **ORDER**

7 **I. MONETARY JUDGMENT**

8 IT IS FURTHER ORDERED that the Court enters Judgment in the amount of four  
9 billion, thirty-nine million, two hundred forty-six thousand, seven hundred seventy-three dollars  
10 (\$4,039,246,773.00) against Volkswagen and in favor of the FTC. The Judgment amount is the  
11 maximum amount Volkswagen would pay based on the following assumptions: (1) a 100%  
12 participation rate by Eligible Consumers; (2) a 100% Buyback of all purchased Generation 1  
13 Eligible Vehicles; (3) a 100% Buyback of all purchased Generation 2 Eligible Vehicles; and  
14 (4) a 100% Lease Termination of all leased Eligible Vehicles. The Judgment amount represents  
15 Volkswagen’s maximum potential exposure based on the assumptions stated above. If the  
16 Certified Emissions Repair is timely available for the Generation 2 vehicles and 100% of  
17 Eligible Consumers with Generation 1 and Generation 2 vehicles participate in the Settlement,  
18 the maximum amount Volkswagen would pay to satisfy its obligations under this Order is  
19 approximately \$1.2 billion in combined compensation. Additionally, the total payments  
20 Volkswagen must make to satisfy its obligations under this Order will vary depending on the  
21 level of Eligible Consumer participation in the 3.0L Settlement Program, remedies available to  
22 Eligible Consumers, and remedy elections Eligible Consumers make. Volkswagen shall satisfy  
23 its obligations under the Judgment by making the payments to consumers required by Section II  
24 and Sections IV through XIV of this Order. Volkswagen may use satisfaction of this Order to  
25 meet its obligations under the 3.0L Class Action Settlement Agreement to the extent provided for  
26  
27  
28

1  
2 in that settlement. Volkswagen also may credit against its obligations under this Order any  
3 payment by any third party made directly to an Eligible Consumer as compensation for an  
4 Eligible Vehicle as required by this Order.

5  
6 **II. ADDITIONAL MONETARY PROVISIONS**

7 IT IS FURTHER ORDERED that:

8 A. Volkswagen relinquishes dominion and all legal and equitable right, title, and  
9 interest in all assets transferred pursuant to this Order to any Eligible Consumer, and may not  
10 seek the return of any assets.

11 B. The facts alleged in the Complaint will be taken as true, without further proof, in  
12 any subsequent civil litigation by or on behalf of the FTC to enforce its rights to any payment or  
13 monetary judgment pursuant to this Order, such as a nondischargeability complaint in any  
14 bankruptcy case.

15 C. The facts alleged in the Complaint establish all elements necessary to sustain an  
16 action by the FTC pursuant to Section 523(a)(2)(A) of the Bankruptcy Code, 11 U.S.C.  
17 § 523(a)(2)(A), and this Order will have collateral estoppel effect for such purposes.

18 D. Upon the filing of a petition for relief under the Bankruptcy Code by or against  
19 Volkswagen, or the filing of any similar federal or state insolvency proceeding by or against  
20 Volkswagen, the amount of \$4,039,246,773.00 shall become immediately due and payable, less:  
21 (i) \$6,000,000 earmarked for payments to Generation 1 Eligible Owners who cancel extended  
22 warranties and service plans (but only to the extent of payments actually made); (ii) \$10,000  
23 earmarked for payment (on behalf of Generation 1 Eligible Owners) of loan balances with excess  
24 negative equity as of the Effective Date (but only to the extent of payments actually made);  
25 (iii) \$30,000,000 earmarked for payments to Generation 2 Eligible Owners who cancel extended  
26  
27  
28

1  
2 warranties and service plans during a Generation 2 Buyback (but only to the extent of payments  
3 actually made); (iv) \$50,000 earmarked for payment (on behalf of Generation 2 Eligible Owners)  
4 of loan balances with excess negative equity as of the date of the preliminary approval of this  
5 Order (but only to the extent of payments actually made); (v) the amount Volkswagen is  
6 obligated to pay for any Extension Payments pursuant to Section VIII(D) (but only to the extent  
7 of payments actually made); (vi) the difference between Generation 2 Buyback Restitution and  
8 the Generation 2 Repair Restitution for each Eligible Vehicle for which the Generation 2  
9 Buyback has not been triggered pursuant to Section VIII(E); and (vii) the sum of the total  
10 amount of all Consumer Payments Volkswagen or any third party has made to benefit Eligible  
11 Consumers pursuant to the 3.0L Settlement Program.  
12

13  
14 E. Volkswagen must make all payments in accordance with this Order, and all  
15 payments required by the 3.0L Class Action Settlement Agreement, provided that Volkswagen  
16 need not make these payments to those consumers who elect not to participate in the 3.0L  
17 Settlement Program and are therefore eligible for the remedies set forth in Subsections 5.1, 6.1,  
18 or 8.1 of Appendix A to the DOJ 3.0L Consent Decree.  
19

20 F. If, for any reason, Bosch fails to pay the required amounts into escrow in  
21 accordance with the terms of the Bosch Consumer Class Action Agreement prior to the Effective  
22 Date, the monetary compensation amounts in Attachments 1-4 will be reduced for each Eligible  
23 Vehicle by the following amounts: Attachment 1, \$1,500 (Buyback and AEM), \$750 (Eligible  
24 Former Owner); Attachment 2, \$1,200 (all amounts); Attachment 3, \$1,500 (Buyback and  
25 AEM), \$750 (Eligible Former Owner); and Attachment 4, \$1,200 (all amounts).  
26  
27  
28

1  
2 **III. NOTICE**

3 IT IS FURTHER ORDERED that Defendants shall provide notice to Eligible Consumers  
4 of their rights under this Order as follows:

5 A. Defendants shall make every reasonable effort to obtain mailing and email  
6 addresses of all Eligible Consumers, including by requesting available data from third parties.

7  
8 B. Within five business days of the Effective Date, Defendants shall send Eligible  
9 Consumers a notice as agreed to in writing by the FTC informing them of their rights under this  
10 Order. Defendants shall send such notice to each Eligible Consumer for whom Defendants have  
11 a mailing address by First-Class postage pre-paid mail.

12 C. Within five business days of the Effective Date, Defendants shall send by email  
13 an html version of the notice in Subsection B in the body of an email (not as an attachment) to  
14 each Eligible Consumer for whom Defendants have an email address. The email notice shall be  
15 substantially the same in text, format, and font as the notice in Subsection B, and shall not  
16 contain any other information.

17  
18 D. Within five business days of the Effective Date, Defendants shall distribute to all  
19 Dealers a notice regarding the 3.0L Settlement Program.

20  
21 E. Immediately upon the Effective Date, Defendants shall post links to the websites  
22 created pursuant to Section XVI on the landing pages of [www.vw.com](http://www.vw.com), [www.audiusa.com](http://www.audiusa.com), and  
23 [www.porsche.com/usa](http://www.porsche.com/usa). The link must appear on the top portion of the webpage (so that no  
24 scrolling is required to view the text) and must state “Visit [VWCourtSettlement.com](http://VWCourtSettlement.com) (or  
25 [AudiCourtSettlement.com](http://AudiCourtSettlement.com)) for information on the TDI Settlement” or “TDI Settlement.” Any  
26 intermediate webpages, disclosures, or text related to the TDI Settlement between the landing  
27 pages of [www.vw.com](http://www.vw.com), [www.audiusa.com](http://www.audiusa.com), and [www.porsche.com/usa](http://www.porsche.com/usa) and the websites  
28

1  
2 pursuant to Section XVI shall be approved by the FTC. The links shall remain posted for the  
3 duration of the 3.0L Settlement Program.

4 F. Defendants shall place advertisements in major national media outlets reasonably  
5 calculated to notify Eligible Consumers of their eligibility for compensation.

6 G. At least 180 days prior to the Program End Date, Defendants shall send every  
7 Eligible Consumer that has not elected a remedy or scheduled an appointment pursuant to  
8 Section XVI a notice by at least 2 different means reasonably calculated to reach the consumer  
9 (such as mail and email, or email and phone) (“Reminder Notice”). The Reminder Notice shall  
10 inform such Eligible Consumers of the deadlines to file a claim application and/or schedule an  
11 appointment in order to receive compensation pursuant to this Order and shall direct them to the  
12 Claims Website governed by Section XVI. At least 150 days prior to the Program End Date,  
13 Defendants shall send a second Reminder Notice to those Eligible Consumers who have not yet  
14 submitted a claim application or scheduled an appointment pursuant to Section XVI following  
15 the first Reminder Notice.

16 H. Within ten business days of Defendants receiving EPA and CARB approval of  
17 any Approved Emissions Modification or Certified Emissions Repair in accordance with  
18 Appendix B of the DOJ 3.0L Consent Decree, Defendants shall send, by First-Class postage pre-  
19 paid mail, notice to those Eligible Owners and Eligible Lessees whose Eligible Vehicles have an  
20 Approved Emissions Modification or Certified Emissions Repair informing them that there is an  
21 Approved Emissions Modification or Certified Emissions Repair available for their Eligible  
22 Vehicle. Such notice shall be in a form approved by EPA and CARB pursuant to Section 3 of  
23 Appendix A to the DOJ 3.0L Consent Decree. Such notice shall disclose the impacts of the  
24 Approved Emissions Modification or Certified Emissions Repair on an Eligible Vehicle. For  
25  
26  
27  
28

1  
2 Generation 1 Eligible Owners and Generation 1 Eligible Lessees, the notice shall inform them  
3 that they still have a right to elect a Buyback or Lease Termination, as described in Sections IV  
4 and VI.

5 I. Within ten business days of Defendants (a) receiving a final notice of disapproval  
6 of a proposed Approved Emissions Modification or proposed Certified Emissions Repair from  
7 EPA or CARB, (b) withdrawing any application for an Approved Emissions Modification or  
8 Certified Emissions Repair, or (c) declining to submit any such application in accordance with  
9 Appendix B of the DOJ 3.0L Consent Decree, Defendants shall send by First-Class postage pre-  
10 paid mail notice to those Eligible Owners and Eligible Lessees whose Eligible Vehicles were  
11 affected by the disapproval, withdrawal, or declination described above that the proposed  
12 Approved Emissions Modification or proposed Certified Emissions Repair for the affected  
13 Eligible Vehicles is not available. Such notice shall be in a form approved by EPA and CARB  
14 pursuant to Section 3 of Appendix A to the DOJ 3.0L Consent Decree. Such notice shall inform  
15 affected Eligible Consumers that they still have a right to elect a Buyback or Lease Termination,  
16 as described in Sections VII and VIII.

17  
18  
19 J. Notwithstanding any other provision of this Order, with respect to all consumer-  
20 facing written, published, or online notices, internet content, disclosures, and disclaimers  
21 required under this Order, except those with substance uniquely tailored to an individual  
22 consumer (such as an email response to a particular consumer's question), those sent pursuant to  
23 Federal Rule of Civil Procedure 23, or a DOJ Emissions Modification Notice, Defendants must  
24 ensure that the communications: (a) are accurate, complete, and non-misleading, and convey all  
25 material information; (b) convey all material information clearly and conspicuously;  
26 (c) emphasize (through underscoring, bolding, or other attention-getting devices) any deadlines  
27  
28

1  
2 that the consumer must meet; (d) use plain language; and (e) include a web location and  
3 telephone number where consumers can have questions answered.

4 **IV. COMPENSATION FOR BUYBACK OF GENERATION 1 ELIGIBLE VEHICLES**

5 IT IS FURTHER ORDERED that for each Generation 1 Eligible Owner who elects a  
6 Buyback, Volkswagen shall provide compensation as follows:

7  
8 A. Upon submission of a Generation 1 Eligible Owner's complete and valid claim  
9 application pursuant to Section XVI and surrender of the right, title, and interest in, and  
10 possession of, an Eligible Vehicle to Volkswagen at a Dealer (or other entity authorized by  
11 Volkswagen), Volkswagen shall pay to the Generation 1 Eligible Owner all amounts required by  
12 Subsections D, E, and F. If a Generation 1 Eligible Owner elects a Buyback but does not possess  
13 title to the Eligible Vehicle, for title to the Eligible Vehicle to be transferred to Volkswagen, the  
14 Eligible Owner and Volkswagen must complete the steps required by Subsection G.1 and the  
15 claim application pursuant to Section XVI.

16  
17 B. Except as provided in Section XV, Volkswagen will complete a Buyback of an  
18 Eligible Vehicle within 60 days of a Generation 1 Eligible Owner's scheduling of an  
19 appointment for an approved Buyback.

20  
21 C. Each Generation 1 Eligible Owner may, in the alternative, elect to receive an  
22 Approved Emissions Modification and obtain Generation 1 Approved Emissions Modification  
23 Restitution or Post-September 2015 Purchaser Restitution, as appropriate, pursuant to Section  
24 VII at any time before Volkswagen takes possession, title, and ownership of the Eligible Vehicle.

25  
26 D. Except as provided in Subsections F and G, and except for Post-September 2015  
27 Purchasers, Volkswagen shall pay each Generation 1 Eligible Owner who elects to participate in  
28 the Buyback the sum of:

- 1
- 2 1. The Generation 1 Buyback Restitution;
- 3 2. Less any amounts paid to a lender in satisfaction of a Loan Obligation on
- 4 the Eligible Vehicle pursuant to Subsection G, if applicable.

5 E. For Generation 1 Post-September 2015 Purchasers, Volkswagen shall pay each  
6 Eligible Owner who elects to participate in the Buyback the sum of:

- 7
- 8 1. The Post-September 2015 Purchaser Restitution;
- 9 2. Less any amounts paid to a lender in satisfaction of a Loan Obligation on
- 10 the Eligible Vehicle pursuant to Subsection G, if applicable.

11 F. For any Generation 1 Eligible Owner with an Eligible Vehicle that is (i) damaged  
12 after January 31, 2017, and (ii) transferred to an insurance company or otherwise permanently  
13 removed from commerce, upon submission of an Eligible Owner's complete and valid claim  
14 application pursuant to Section XVI, Volkswagen shall pay Generation 1 Totaled Vehicle  
15 Restitution or Post-September 2015 Purchaser Restitution, as appropriate, to the Eligible Owner.

16 G. For any Eligible Owner with an outstanding Loan Obligation for an Eligible  
17 Vehicle who elects a Buyback:

- 18
- 19
- 20 1. Upon submission of an Eligible Owner's complete and valid claim
- 21 application pursuant to Section XVI and surrender of all right, title, and
- 22 interest in, and possession of, an Eligible Vehicle to an entity authorized
- 23 by Volkswagen, Volkswagen shall pay that Eligible Owner's lender the
- 24 full amount required to pay off the outstanding Loan Obligation for the
- 25 Eligible Vehicle, excluding any portion of the Loan Obligation that
- 26 became delinquent after June 28, 2016, (and any related costs and fees), or
- 27 any portion of the Loan Obligation, including new loans, incurred after
- 28

1  
2 June 28, 2016, up to 130% of the total compensation due to an Eligible  
3 Owner pursuant to Subsections D or E. If the amount paid to the lender by  
4 Volkswagen under this provision is not sufficient to satisfy the outstanding  
5 Loan Obligation, the Eligible Owner must, at the time of the transfer of  
6 ownership and possession, pay any remaining balance of the Loan  
7 Obligation required to transfer all interest in, title to, and ownership and  
8 possession of the Eligible Vehicle to Volkswagen to elect the Buyback.

9  
10 2. If the outstanding Loan Obligation is less than or equal to the total  
11 compensation to an Eligible Owner pursuant to Subsections D or E, upon  
12 submission of an Eligible Owner's complete and valid claim application  
13 pursuant to Section XVI and surrender of all right, title, and interest in,  
14 and possession of, an Eligible Vehicle to Volkswagen at a Volkswagen or  
15 Audi Dealer (or other entity authorized by Volkswagen), Volkswagen  
16 shall pay that Eligible Owner's lender the full amount required to pay off  
17 the outstanding Loan Obligation for the Eligible Vehicle, and shall pay the  
18 Eligible Owner the difference between the Loan Obligation and the  
19 compensation under Subsections D or E.  
20  
21

22 3. Volkswagen shall not charge Eligible Owners any consideration, including  
23 transactional or other fees, costs, or penalties, for making the payments  
24 required by this Subsection. Early termination or similar fees pursuant to  
25 or permitted by any Eligible Owner's contract with an affiliate of  
26 Volkswagen, including VW Credit, Inc. and Audi Financial Services, Inc.,  
27 are not part of the Loan Obligation for purposes of Subsections G.1 and  
28

1  
2 G.2 above, and Volkswagen may not use them as a basis to reduce the  
3 payments due to an Eligible Owner under this Section.

4 H. Nothing herein precludes any Generation 1 Eligible Owner from entering into a  
5 private transaction outside the claims process, including a trade-in to a branded or non-branded  
6 dealer for an amount less than, equal to, or more than the amount to which they are entitled under  
7 the 3.0L Settlement Program; provided, however, that nothing in this Order or the 3.0L  
8 Settlement Program authorizes any branded or non-branded dealer to engage in any deceptive  
9 practice, unfair trade practice, or other practice prohibited by law, and nothing in this Order or  
10 the 3.0L Settlement Program limits the FTC's authority or the authority of any other law  
11 enforcement agency. If a Generation 1 Eligible Owner sells, transfers, or trades in an Eligible  
12 Vehicle after January 31, 2017, to any person or entity other than through the Order, that Eligible  
13 Owner forfeits his, her, or its benefits under this Order. This includes all private sales and  
14 transfers, all trade-ins to Volkswagen, Audi, or Porsche Dealers that are transacted outside the  
15 official 3.0L Settlement Program, and all trade-ins to unaffiliated dealers.  
16  
17

18 **V. COMPENSATION FOR GENERATION 1 ELIGIBLE LESSEES WHOSE**  
19 **LEASES TERMINATED AFTER SEPTEMBER 18, 2015**

20 IT IS FURTHER ORDERED that for any Generation 1 Eligible Lessee who had an  
21 active lease at any time between September 18, 2015, and November 2, 2015, but whose lease  
22 has since terminated and who returns or returned the Eligible Vehicle at the conclusion of the  
23 lease, upon submission of the Generation 1 Eligible Lessee's complete and valid claim  
24 application pursuant to Section XVI, Volkswagen shall pay Generation 1 Lessee Restitution to  
25 such a Generation 1 Eligible Lessee.  
26  
27  
28

1  
2 **VI. COMPENSATION AND LEASE TERMINATION FOR GENERATION 1**  
3 **ELIGIBLE LESSEES WITH ACTIVE LEASES**

4 IT IS FURTHER ORDERED that for each Generation 1 Eligible Lessee who has an  
5 active lease and who elects a Lease Termination, Volkswagen shall provide compensation as  
6 follows:

7 A. Upon submission of a Generation 1 Eligible Lessee's complete and valid claim  
8 application pursuant to Section XVI and surrender of an Eligible Vehicle to Volkswagen at a  
9 Volkswagen or Audi Dealer (or other entity authorized by Volkswagen), Volkswagen shall pay  
10 Generation 1 Lessee Restitution to the Generation 1 Eligible Lessee. Volkswagen shall pay all  
11 amounts necessary to achieve a Lease Termination without penalty to the Generation 1 Eligible  
12 Lessee, including, without limitation, early termination fees owed to third parties. Provided,  
13 however, that Volkswagen shall not be obligated to pay any Generation 1 Lessee Restitution  
14 Adjustments and may deduct any such amounts from the Generation 1 Lessee Restitution. When  
15 calculating excess mileage fees, Volkswagen cannot prorate the actual mileage on the Eligible  
16 Vehicle on the day of vehicle surrender, but must compare such actual mileage to that allowed  
17 under the full lease term.

18  
19  
20 B. Except as provided in Section XV, Volkswagen shall complete a Lease  
21 Termination of an Eligible Vehicle within 45 days of a Generation 1 Eligible Lessee's election to  
22 schedule an appointment for an approved Lease Termination.

23  
24 C. Volkswagen will assume any remaining lease payments from the date of the  
25 completion of the process in Subsection A through the end of the lease agreement.  
26  
27  
28

1  
2 **VII. COMPENSATION FOR APPROVED EMISSIONS MODIFICATIONS OF**  
3 **GENERATION 1 ELIGIBLE VEHICLES**

4 IT IS FURTHER ORDERED that for each Eligible Owner or Eligible Lessee who is  
5 entitled to elect and elects an Approved Emissions Modification, Volkswagen shall provide free  
6 Approved Emissions Modifications that fully comply with this Order and Appendix B of the  
7 DOJ 3.0L Consent Decree, and shall provide compensation as follows:

8 A. Upon submission of an Eligible Owner's or Eligible Lessee's complete and valid  
9 claim application pursuant to Section XVI and completion of an Approved Emissions  
10 Modification by a Volkswagen or Audi Dealer (or other entity authorized by Volkswagen),  
11 Volkswagen shall pay the amounts required by Subsections B through E.

12 B. Except for Post-September 2015 Purchasers of Generation 1 Eligible Vehicles,  
13 Volkswagen shall pay Generation 1 Approved Emissions Modification Restitution to each  
14 Eligible Owner who elects to receive an Approved Emissions Modification.

15 C. For Post-September 2015 Purchasers of Generation 1 Eligible Vehicles,  
16 Volkswagen shall pay Generation 1 Post-September 2015 Purchaser Restitution to each Post-  
17 September 2015 Purchaser who elects to receive an Approved Emissions Modification.

18 D. Volkswagen shall pay Generation 1 Lessee Restitution to each Generation 1  
19 Eligible Lessee who elects to receive an Approved Emissions Modification and at the time the  
20 Eligible Vehicle is brought in for an Approved Emissions Modification (a) is the current lessee  
21 of an Eligible Vehicle and elects to continue an active lease for an Eligible Vehicle or (b)  
22 formerly leased and now owns the Eligible Vehicle but did not acquire ownership of the Eligible  
23 Vehicle until after January 31, 2017.

24 E. Except as provided in Section XV, Volkswagen shall complete an Approved  
25 Emissions Modification within 60 days of an Eligible Owner's or Eligible Lessee's scheduling of  
26  
27  
28

1  
2 an appointment for an Approved Emissions Modification, following approval by EPA and  
3 CARB of an Approved Emissions Modification.

4 F. Volkswagen shall provide a loaner vehicle at no cost to the consumer for any  
5 Approved Emissions Modification that is scheduled to take longer than 3 hours or that is not  
6 complete within 3 hours of the scheduled start of the appointment. Volkswagen shall provide  
7 consumers receiving an Approved Emissions Modification such loaner vehicles at no cost for 24  
8 hours after Volkswagen notifies them that the Approved Emissions Modification is complete.  
9 This provision is in addition to the alternative availability of a concierge service (picking up and  
10 dropping off of a consumer's vehicle).  
11

12 **VIII. COMPENSATION ALTERNATIVES FOR GENERATION 2 ELIGIBLE**  
13 **OWNERS AND LESSEES**

14 IT IS FURTHER ORDERED that Defendants must offer each Generation 2 Eligible  
15 Owner a Certified Emissions Repair, or if a Certified Emissions Repair is not timely available,  
16 the choice between a Buyback and an Approved Emissions Modification, in accordance with the  
17 terms set forth in this Order:  
18

19 A. If, on or before the applicable Repair Approval Date, Defendants have a Certified  
20 Emissions Repair for an Eligible Vehicle, then Defendants must offer each Eligible Owner of  
21 such Eligible Vehicle a free Certified Emissions Repair and Repair Restitution or Post-  
22 September 2015 Purchaser Restitution, as appropriate, and each Eligible Lessee of such Eligible  
23 Vehicle a free Certified Emissions Repair and Lessee Repair Restitution, in accordance with  
24 Section IX.  
25

26 B. Defendants represent that the Certified Emissions Repair shall not result in  
27 Reduced Performance. In the event that the Certified Emissions Repair causes Reduced  
28 Performance of the Eligible Vehicle, Volkswagen shall make an additional payment of \$500 for

1  
2 each affected Eligible Vehicle. The performance impacts of a Certified Emissions Repair shall  
3 be measured by Volkswagen pursuant to industry standards in connection with its submission of  
4 an Emissions Modification Proposal to EPA and CARB and, upon approval of such Emissions  
5 Modification Proposal, Defendants shall disclose the extent of any Reduced Performance in a  
6 notice to each impacted Generation 2 Eligible Owner or Generation 2 Eligible Lessee, which  
7 may be satisfied by the mailing of a notice under the 3.0L Class Action Settlement Agreement.  
8  
9 In the event that the Certified Emissions Repair causes a substantial, material adverse  
10 degradation above and beyond the Reduced Performance levels specified in Paragraph DDD, the  
11 FTC reserves the right to seek, and Defendants reserve the right to oppose, additional remedies  
12 through motion to the Court.

13  
14 C. If, after the Repair Approval Date for a given Subgroup, EPA and CARB have not  
15 rendered a final decision for a proposed Certified Emissions Repair for any Subgroup, the FTC  
16 may move the Court to require Defendants to offer a Buyback for the Subgroup for which EPA  
17 and CARB have not rendered a decision by the Repair Approval Date, on the basis that good  
18 cause does not exist for further delay in offering the option of a Buyback (regardless of whether  
19 any appeals are pending). Within 15 days of that motion, unless the parties agree to a longer  
20 period, the parties will fully brief and argue whether good cause exists for offering the option of  
21 the Buyback and whether some additional time should be permitted before the Buyback is  
22 ordered. The Court will determine whether to allow testimony at the hearing, and no discovery  
23 will be allowed unless ordered by the Court. Defendants and the FTC agree that the Court's  
24 decision on whether good cause exists for further delay in offering the option of a Buyback is  
25 final and not appealable.  
26  
27  
28

1  
2 D. If the Court rules that good cause does not exist to delay ordering the Buyback,  
3 Defendants may extend the Repair Approval Date for the relevant Subgroup(s) by paying an  
4 Extension Payment for each thirty (30) day period from the day the Court issues its ruling on  
5 FTC's motion, up to a maximum of ninety (90) days. Any Extension Payment will be in  
6 addition to the compensation otherwise owed to the Eligible Owner or Eligible Lessee (including  
7 any Generation 2 Participation Payment). Extension Payments will be paid by Volkswagen at  
8 the time the Eligible Owner or Eligible Lessee receives other restitution payments under this  
9 Order, excluding any Generation 2 Participation Payment.  
10

11 E. If Defendants have not satisfied the conditions in Section VIII(A) for a given  
12 Generation 2 Eligible Vehicle and (a) the Court finds that good cause does not exist for  
13 extending a Repair Approval Date and Defendants do not extend the Repair Approval Date, or  
14 (b) the Repair Approval Date has been extended by the maximum ninety (90) days, then, within

22 application pursuant to Section XVI and surrender of the right, title, and interest in, and  
23 possession of, an Eligible Vehicle to Defendants at a Dealer (or other entity authorized by  
24 Defendants), Volkswagen shall pay to the Generation 2 Eligible Owner all amounts required by

9 Approved Emissions Modification and obtain Generation 2 Approved Emissions Modification  
10 Restitution or Post-September 2015 Purchaser Restitution, as appropriate, pursuant to Section XI

19 the Eligible Vehicle pursuant to Subsection G, if applicable.  
20

21 E. For Generation 2 Post-September 2015 Purchasers, Volkswagen shall pay each  
22 Eligible Owner who elects to participate in the Buyback the sum of:

26 the Eligible Vehicle pursuant to Subsection G, if applicable.  
27  
28

1  
2 F. For any Generation 2 Eligible Owner with an Eligible Vehicle that is damaged  
3 after January 31, 2017, in a manner that renders it a total loss and transferred to an insurance  
4 company, upon submission of an Eligible Owner's complete and valid claim application  
5 pursuant to Section XVI, Volkswagen shall pay Generation 2 Totaled Vehicle Restitution or

- 10 1. Upon submission of an Eligible Owner's complete and valid claim  
11 application pursuant to Section XVI and surrender of all right, title, and  
12 interest in, and possession of, an Eligible Vehicle to Defendants or an  
13 entity authorized by Defendants, Volkswagen shall pay that Eligible  
14 Owner's lender the full amount required to pay off the outstanding Loan  
15 Obligation for the Eligible Vehicle, excluding any portion of the Loan  
16 Obligation that became delinquent after June 28, 2016 (and any related  
17 costs and fees), or any portion of the Loan Obligation, including new  
18 loans, incurred after June 28, 2016, up to 130% of the total compensation  
19 due to an Eligible Owner pursuant to Subsections D or E. If the amount  
20 paid to the lender by Volkswagen under this provision is not sufficient to  
21 satisfy the outstanding Loan Obligation, the Eligible Owner must, at the  
22 time of the transfer of ownership and possession, pay any remaining  
23 balance of the Loan Obligation required to transfer all interest in, title to,  
24 and ownership and possession of the Eligible Vehicle to Defendants to  
25 elect the Buyback.  
26  
27  
28

1  
2 2. If the outstanding Loan Obligation is less than or equal to the total  
3 compensation to an Eligible Owner pursuant to Subsections D or E, upon  
4 submission of an Eligible Owner's complete and valid claim application  
5 pursuant to Section XVI and surrender of all right, title, and interest in,  
6 and possession of, an Eligible Vehicle to Defendants at a Dealer (or other  
7 entity authorized by Defendants), Volkswagen shall pay that Eligible  
8 Owner's lender the full amount required to pay off the outstanding Loan  
9 Obligation for the Eligible Vehicle, and shall pay the Eligible Owner the  
10 difference between the Loan Obligation and the compensation under  
11 Subsections D or E.  
12

13  
14 3. Defendants shall not charge Eligible Owners any consideration, including  
15 transactional or other fees, costs, or penalties for making the payments  
16 required by this Subsection. Early termination or similar fees pursuant to  
17 or permitted by any Eligible Owner's contract with an affiliate of any of  
18 the Defendants, including VW Credit, Inc., Audi Financial Services, Inc.,  
19 and Porsche Financial Services, Inc., are not part of the Loan Obligation  
20 for purposes of Subsections G.1 and G.2 above, and Defendants may not  
21 use them as a basis to reduce the payments due to an Eligible Owner under  
22 this Section.  
23

24  
25 H. Nothing herein precludes any Generation 2 Eligible Owner from entering into a  
26 private transaction outside the claims process, including a trade-in to a branded or non-branded  
27 dealer for an amount less than, equal to, or more than the amount to which they are entitled under  
28 the 3.0L Settlement Program; provided, however, that nothing in this Order or the 3.0L

1  
2 Settlement Program authorizes any branded or non-branded dealer to engage in any deceptive  
3 practice, unfair trade practice, or other practice prohibited by law, and nothing in this Order or  
4 the 3.0L Settlement Program limits the FTC's authority or the authority of any other law  
5 enforcement agency. If a Generation 2 Eligible Owner sells, transfers or trades in an Eligible  
6 Vehicle after January 31, 2017, to any person or entity other than through this Order, that  
7 Eligible Owner forfeits his, her, or its benefits under this Order. This includes all private sales  
8 and transfers, and all trade-ins to VW, Audi, or Porsche branded dealers that are transacted  
9 outside the official 3.0L Settlement Program, and all trade-ins to unaffiliated dealers.

8 the Extended Emissions Warranty and any additional warranty extensions, apply to a specific  
9 Eligible Vehicle.  
10

11 G. The Extended Emissions Warranty is associated with the vehicle, and remains  
12 available to any and all subsequent owners and operators.

16 outstanding warranty, that conflict shall be resolved to the benefit of the consumer.  
17

18 I. The Extended Emissions Warranty shall not modify, limit, or affect any state,  
19 local, or federal legal rights available to the owners.

20 J. Any waiver of any provision of the Extended Emissions Warranty by an owner is  
21 null and void.

22 K. For Eligible Owners and Eligible Lessees who decline to receive the Approved  
23 Emissions Modification or Certified Emissions Repair for an Eligible Vehicle, Defendants must  
24 continue to service such Eligible Vehicle in accordance with existing applicable warranty

15 N. For Eligible Owners and Eligible Lessees with Generation 2 Eligible Vehicles  
16 (i) whose original New Vehicle Limited Warranty and/or Powertrain Limited Warranty  
17 expired/expires prior to the timely availability of a Certified Emissions Repair as outlined in  
18 Section IX, and (ii) which are not covered by another warranty and/or service contract (provided  
19 through Volkswagen, Porsche, or any third-party), Volkswagen agrees to provide a Bridge  
20 Warranty providing coverage and terms mirroring the coverage previously provided by the  
21 expired New Vehicle Limited Warranty or Powertrain Limited Warranty. The Bridge Warranty  
22 shall exclusively apply to covered repairs performed by a Dealer based on conditions that arose  
23 between (a) January 31, 2017, or the expiration date of the New Vehicle Limited Warranty or  
24 Powertrain Limited Warranty, whichever is later, and (b) the date that a Certified Emissions  
25 Repair is approved. For avoidance of doubt, the benefits set forth in this provision are available  
26 only to consumers who participate in the 3.0L Settlement Program.  
27  
28

1  
2 O. Any Eligible Consumer who receives a Buyback, and who has a warranty,  
3 extended warranty, or vehicle service plan purchased from a Dealer and valid at the time of  
4 Buyback, is entitled to a prorated refund of any unused, otherwise nonrefundable portion of the  
5 purchase price of the warranty, extended warranty, or vehicle service plan, including termination  
6 fees, provided that the contract was purchased on or prior to January 31, 2017. The prorated  
7 refund shall account for any unused months (if the warranty or plan is time-based) or  
8 service/maintenance events (if the warranty or contract is based on service events), as applicable.

10 **XVI. CLAIMS PROCESSING**

11 IT IS FURTHER ORDERED that in implementing the remedies for consumers described  
12 by this Order:

13  
14 A. On the Effective Date, Volkswagen shall maintain claims administration websites  
15 with URLs: [VWCourtSettlement.com](http://VWCourtSettlement.com) and [AudiCourtSettlement.com](http://AudiCourtSettlement.com). The websites shall have

18 available on the Effective Date, and remain available for 5 years thereafter, or until all consumer  
19 relief under this Order is complete, whichever is earlier. In maintaining this website,  
20 Volkswagen shall make all reasonable efforts to cause the purchase of the rights to all websites  
21 whose URLs are common misspellings of these URLs to re-direct consumers to  
22 [VWCourtSettlement.com](http://VWCourtSettlement.com) and [AudiCourtSettlement.com](http://AudiCourtSettlement.com). The website shall:

13 within ten business days of receiving EPA/CARB notice of approval or  
14 disapproval, withdrawing any application for an Approved Emissions

16 Emissions Modification. Provided, however, that nothing herein  
17 precludes Defendants from providing additional information concerning  
18 the effect an Approved Emissions Modification will have on an Eligible  
19 Vehicle;  
20  
21

22 6. List the information and documentation that Eligible Consumers must  
23 submit to establish eligibility for a remedy under the 3.0L Settlement  
24 Program, including instructions for obtaining and providing such

9. Explain the specific effect that additional mileage will have on an Eligible Consumer's compensation;

Provide a simple, easy-to-use mechanism for consumers to elect to receive updates by email about the availability of, and reminders about, appointments for any remedy; the availability (or non-availability) of an Approved Emissions Modification for their vehicle; and the status of any claim, including additional documentation or other information needed to process the claim;
11. Provide consumers with a simple mechanism to elect and apply for any remedy available to them, and for Eligible Consumers to schedule an appointment pursuant to Subsection C.4, below; and
12. Not contain any promotional materials, any information other than that needed to comply with this Order, or anything that contradicts, mitigates, or is inconsistent with, the information required by this Section.

B. On the Effective Date, Volkswagen shall establish a toll-free telephone number that shall remain available until all consumer relief under this Order is complete. With the

1

4 Volkswagen has adequately trained to accurately and clearly answer all reasonable consumer  
5 questions regarding the 3.0L Settlement Program.

6 C. Volkswagen shall administer the claims administration process efficiently,  
7 expeditiously, and transparently, including by:

13 for verification of eligibility, or (b) notifying consumers of any claim  
14 application that is deemed deficient, the reasons for the deficiency, and  
15 providing clear instructions on how to cure it. If Defendants notify a  
16 consumer that their claim application is deficient, Defendants shall have  
17 ten business days from resubmission of the claims application to notify  
18 such consumer whether his or her application is complete;
- 19 3. Within ten business days, or more quickly if reasonable, of receiving a  
20 completed application, notifying consumers whether they are eligible for  
21 their elected remedy, and providing consumers with offer letters as  
22 appropriate, provided, however, that if there is an existing lienholder other

5 Eligible Consumer, allowing that Eligible Consumer to schedule a  
6 Buyback, Lease Termination, or Approved Emissions Modification or  
7 Certified Emissions Repair at any Dealer (or other entity authorized by  
8 Defendants) of the Eligible Consumer's choosing. Defendants shall  
9 provide Eligible Consumers the ability to choose from at least three  
10 appointment dates, at different times of the day, on different days of the  
11 week, each of which is within 60 days of the date the Eligible Consumer  
12 schedules an appointment or the Effective Date, whichever is later.  
13 Defendants shall provide consumers with the ability to reschedule their  
14 appointment within 60 days of the rescheduling date using the same  
15 process;  
16  
17 5. Providing consumers with at least one reminder prior to their scheduled  
18 appointment;  
19  
20 6. Allowing consumers with a choice of remedies to change their elected  
21 remedy at any time before the Eligible Consumer's appointment for a  
22 Buyback or Lease Termination or service visit for an Approved Emissions  
23 Modification. If an Eligible Consumer changes their elected remedy  
24 Defendants shall provide consumers with the ability to schedule their

- Subsection C.4 and providing any additional documents necessary to confirm eligibility for the alternative remedy;
7. Establishing reasonable procedures designed to assist certain Eligible Consumers whose public service or geographic location creates an undue burden to participate in the claims process including Eligible Consumers serving with the government or military overseas, Eligible Consumers whose distance from the nearest Dealer substantially impedes their participation, and Eligible Consumers who reside on an island in the United States or its territories without a Dealer; such procedures must include, at minimum, a means for such Eligible Consumers to obtain every benefit under this Order to which they would otherwise be entitled, or the substantial equivalent of such benefit(s), with Volkswagen responsible for any associated additional costs.
  8. Upon completion of any buyback, early lease termination, Certified Emissions Repair or Approved Emissions Modification appointment, providing an itemized receipt showing the amount paid or to be paid to the consumer and any applicable adjustments pursuant to this Order as well as an explanation of any such adjustments;
  9. Not requesting any information from any consumer beyond what is necessary to process a claim application; and
  10. Taking all reasonable efforts to protect data consumers provide for any purpose related to this Order. Defendants cannot use data provided by

1  
2 consumers for participation in the 3.0L Settlement Program for any  
3 purpose other than implementing the 3.0L Settlement Program.

4 D. Volkswagen shall offer each Eligible Consumer who elects to participate in the  
5 3.0L Settlement Program the option to receive payment by check or by Electronic Funds  
6 Transfer (“EFT”). Defendants shall notify Eligible Consumers of the timing of each payment  
7 method as well as the specific impact that a positive or negative mileage adjustment will have on  
8 the timing of such payment.  
9

10 E. For Eligible Owners with an outstanding Loan Obligation, payment shall be sent  
11 to that Eligible Owner’s lender within five business days of completion of the Eligible Owner’s  
12 Buyback.  
13

14 F. For Eligible Owners who elect a Buyback, upon receipt of the title to the Eligible  
15 Vehicle by Defendants and the surrender of the Eligible Vehicle to Defendants, (i) an EFT shall  
16 be submitted within three banking days or (ii) a check shall be provided immediately at the time  
17 of the Buyback. Provided, however, for an Eligible Owner who has elected to receive payment  
18 by check, (a) if the vehicle is subject to a positive Mileage Adjustment, Volkswagen shall send  
19 an additional check within five banking days for the amount of the positive adjustment or (b) if  
20 the Eligible Vehicle is subject to a negative Mileage Adjustment, a check will not be provided  
21 immediately and instead Volkswagen will issue and send a new check within five banking days  
22 for the adjusted amount.  
23

24 G. For Eligible Lessees who elect a Lease Termination, upon surrender of the  
25 Eligible Vehicle to Defendants, (i) an EFT shall be submitted within three banking days or (ii) a  
26 check shall be provided immediately at the time of surrender. If the vehicle is subject to a  
27 negative mileage adjustment pursuant to the lease contract, a check will not be provided  
28

1  
2 immediately and instead Volkswagen will issue and send a new check within five banking days  
3 for the adjusted amount.

4 H. For Eligible Owners or Eligible Lessees who elect an Approved Emissions  
5 Modification, upon completion of the Approved Emissions Modification by a Dealer, (i) an EFT  
6 shall be submitted within three banking days or (ii) a check shall be mailed within five banking  
7 days.  
8

9 I. Through the claims administration process implemented pursuant to this Order,  
10 Defendants may not favor a remedy under this Order over any other remedy in any of the  
11 following ways:

- 12 1. by presenting alternative remedies in a manner that discourages the  
13 selection of one remedy (or remedies); or
- 14 2. by making the process to obtain a remedy unnecessarily difficult relative  
15 to others.  
16

17 J. Notwithstanding anything else in this Order, the Generation 1 Buyback and Lease  
18 Termination offers required under Sections IV and VI of this Order shall be available to Eligible  
19 Owners and Eligible Lessees beginning within fifteen business days from the Effective Date and  
20 shall remain open until the Program End Date. The Generation 2 Buyback and Lease  
21 Termination offers under Sections X and XIII of this Order, if triggered pursuant to Section  
22 VIII(E) shall remain open until the Program End Date. Provided however, that an Eligible  
23 Consumer must complete a claims application no later than 120 days before the Program End  
24 Date to participate in the 3.0L Settlement Program.  
25  
26  
27

**XVII. COURT-APPOINTED CLAIMS SUPERVISOR**

IT IS FURTHER ORDERED that based upon recommendations submitted to this Court by Defendants and the FTC, the Court hereby appoints Ankura Consulting Group, LLC as the Claims Supervisor for Defendants. In acting under this Order, the Claims Supervisor is an agent of this Court, and solely the agent of this Court, and shall be accountable directly to this Court. With the exception of review of claims pursuant to Subsection A below, the Claims Supervisor shall not perform any of the claims processing functions set forth in Section XVI, however, the Claims Supervisor may consult with Defendants on how to process claims in compliance with this Order. The Claims Supervisor has the following power and authority to monitor Defendants' compliance with the 3.0L Settlement Program.

A. The Claims Supervisor shall review claims for compensation under this Order and shall review the claims administration process to ensure that it is conducted in accord with this Order, including ensuring that:

2. Claims are processed in an efficient and consistent manner;
3. The calculations of approved payments to Eligible Consumers comply with the 3.0L Settlement Program; and
4. Determinations that claims are "ineligible" are proper under the 3.0L Settlement Program.

B. Within one month from the date of entry of this Order and every 3 months thereafter for 3 years (until such time determined pursuant to Subsection C below), the Claims Supervisor shall submit a report to the Court, with copies to the FTC and Defendants, concerning Defendants' performance of its obligations under this Order, including:

- 1
- 2 1. The progress of the 3.0L Settlement Program, including but not limited to
- 3 the participation rate in any Buyback, Lease Termination, Approved
- 4 Emissions Modification, and Certified Emissions Repair;
- 5 2. The length of time for Eligible Consumers to receive any Consumer
- 6 Payment;
- 7
- 8 3. Any complaints regarding Eligible Consumers' efforts to elect or
- 9 participate in any 3.0L Settlement Program option; and
- 10 4. The Claims Supervisor's review of ineligible claims.

11 C. The Claims Supervisor shall serve until two months after the Program End Date,  
12 unless ordered by this Court to continue.

13

14 D. Defendants shall in a timely manner provide the Claims Supervisor full access to  
15 all documents and information necessary for the Claims Supervisor to fulfill the Claims  
16 Supervisor's duties pursuant to this Order.

17 E. Defendants shall fully cooperate with any reasonable request of the Claims  
18 Supervisor and shall take no action to interfere with or impede the Claims Supervisor's ability to  
19 monitor Defendants' compliance with this Order.

20

21 F. The Claims Supervisor shall provide the FTC with accounting or other  
22 information related to compliance with Sections IV-XVI within ten business days of a request,  
23 unless a longer time is agreed to by an FTC representative in writing.

24 G. Volkswagen is responsible for all costs and fees relating to the Claims Supervisor.  
25 Defendants and the FTC may agree, or the Claims Supervisor may seek Court approval to  
26 employ, at Volkswagen's expense, such consultants, accountants, attorneys, and other  
27  
28

1  
2 representatives and assistants as are reasonably necessary to carry out the Claims Supervisor's  
3 duties and responsibilities.

4 **XVIII. ORDER ACKNOWLEDGMENTS**

5 IT IS FURTHER ORDERED that Defendants obtain acknowledgments of receipt of this  
6 Order:

14 Delivery must occur within seven days of entry of this Order for current personnel. For all  
15 others, delivery must occur before they assume their responsibilities.

16  
17 C. From each individual or entity that Defendants employs and to which Defendants  
18 delivered a copy of this Order, Defendants will request, within 30 days, a signed and dated  
19 acknowledgment of receipt of this Order and Defendants shall create and maintain records  
20 sufficient to establish that the Order was sent in a way reasonably calculated to effect delivery.

21 For all other individuals or entities to which Defendants delivered a copy of this Order pursuant  
22 to Subsection B, Defendants shall create and maintain records sufficient to establish that the  
23 Order was sent in a way reasonably calculated to effect delivery.  
24

25  
26 **XIX. COMPLIANCE REPORTING**

16 this Order, including: creation, merger, sale, or dissolution of the entity or any subsidiary that  
17 engages in any acts or practices subject to this Order.  
18

19 C. Defendants must submit to the FTC notice of the filing of any bankruptcy

24 perjury must be true and accurate and comply with 28 U.S.C. § 1746, such as by concluding: “I  
25 declare under penalty of perjury under the laws of the United States of America that the

28

1  
2 E. Any information Defendants submit pursuant to this section will be treated in  
3 accordance with Section 21 of the FTC Act.

4 F. Unless otherwise directed by an FTC representative in writing, all submissions to

8 The subject line must begin: FTC v. Volkswagen Group of America, Inc., X160039.  
9

10 **XX. COMPLIANCE MONITORING**

11 IT IS FURTHER ORDERED that, for the purpose of monitoring Defendants' compliance  
12 with this Order:

13 A. Within 30 days of receipt of a written request from a representative of the FTC,  
14 Defendants must: submit additional compliance reports or other requested information, which  
15 must be sworn under penalty of perjury; appear for depositions; and produce documents for  
16 inspection and copying. The FTC also is authorized without further leave of court, to use any of  
17 the procedures prescribed by Federal Rules of Civil Procedure 29, 30 (including telephonic

20 seeking an order including one or more of the protections set forth in Federal Rule of Civil  
21 Procedure 26(c). Defendants may assert any and all rights or privileges in the Federal Rules of  
22 Civil Procedure, the Federal Rules of Evidence, or any other applicable law.
