

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: ROUNDUP PRODUCTS
LIABILITY LITIGATION

MDL No. 2741

Case No. 16-md-02741-VC

This document relates to:

Hardeman v. Monsanto, 3:16-cv-00525-VC

**PRETRIAL ORDER NO. 105:
ORDER RE AUTHENTICATION OF
MR. HARDEMAN'S MEDICAL
RECORDS**

Mr. Hardeman's medical records are properly authenticated and fall within Federal Rule of Evidence 803(6). As a result, they are admissible through an expert's testimony to the extent an expert is relying on those records to convey an opinion. No limiting instruction is needed. The records that Monsanto attempted to admit through Dr. Levine will therefore be admitted so long as any information excluded by a pretrial ruling is redacted first.

IT IS SO ORDERED.

Date: March 11, 2019

Honorable Vince Chhabria
United States District Court
