VINCE CHHABRIA
JUDGE

Case Management Conferences, Wednesdays at 1:00 p.m.

All case management conferences will take place over Zoom. If the parties believe there is good reason to hold a case management conference in person, they may request that it be moved to the civil law and motion calendar on Thursday.

Civil Law and Motion Calendar, Thursdays at 10:00 a.m. and 1:00 p.m.

Beginning March 16, 2023, the civil law and motion calendar will be in person. It will take place on Thursdays at 10 a.m., in Courtroom 4. All civil motions, except for specific types identified below, must be noticed for this calendar. Members of the public can listen to audio of all in-person hearings through the Zoom link to Judge Chhabria's courtroom, which is located on his webpage.

If an attorney arguing the motion is based outside the Northern District of California, they may file an administrative motion in accordance with Local Rule 7-11 to convert the hearing to Zoom. The motion must state whether the other side joins or opposes. If the Court grants the motion, the hearing will take place on the same day it was already scheduled, but at 1 p.m. If the motion is complicated or has the potential to be dispositive, the Court will be less likely to grant the motion.

Motions for preliminary or final approval of class actions settlements will continue to be heard by Zoom (to make it easier for class members or objectors to access the hearing). Motions for default judgment will also continue to be heard by Zoom. Hearings on these two types of motions should be noticed for Thursdays at 1 p.m.
